

GNA-G LEADERSHIP TEAM
NOMINATION COMMITTEE
(LT NomCom)

2025

NomCom Members 2025

- Bruno Hoefft (KIT) – Germany
- Celeste Anderson (Pacific Wave) – USA
- Lars Fischer (NORDUnet) – European Nordics
- Lisandro Granville (RNP) – Brazil
- Francis Bu Sung Lee (SingAREN) – Singapore
- Alexander van den Hil (SURF) – The Netherlands (chairperson)

The NomCom's task:

Finding and selecting people for the vacant positions

The Leadership team...

- ...Looks after the long-term evolution of the networking layer of the Global R&E Network (GREN)
- ...Provides oversight to the GNA-G Working Groups.
- ...Manages the GNA-G information sources & website
- ...Consults with Executive Liaisons from time to time.

For more information see <https://www.gna-g.net/about-us/>.

The process (1/2)

- **March 1th to March 31st - Call for Nominations**

The NomCom welcomes LT nominations from the community:

- Anyone could nominate a member from the GNA-G community
- Self-nomination was permitted
- At least one supporting note required

Important considerations:

- Qualifications, e.g., technical competence, organizational skills or relevant experience
- Gender, Age and Geographical Diversity

The process (1/2)

- **April 10th to April 30th - Call for community feedback**

The NomCom encouraged the community to provide:

- Preferences,
- Views on the best composition &
- Other guidance and advice

To take into account when selecting the best candidates for the LT

- **May 20th - NomCom announcement elected LT members**

Community feedback

You provided community guidance emphasizing the importance of:

- Continuity,
- Geographic diversity,
- Technical expertise,
- Management experience.
